			Protein g	0

### Preparation

1. In saucepan, combine water and bar-b-q sauce mix; cook, whisking constantly, until starting to thicken.
2. Spread over crust and top pizza as desired.

**Pizza Suggestion:** Spread sauce over standard pizza crust. Top generously with shredded chicken, sliced green bell peppers and diced red onion. Sprinkle with shredded reduced-sodium Cheddar cheese and sliced green onions. Bake at 400°F until pizza is heated thoroughly.
